

# HEY DUGGEE

# POOL NOODLE SAIL BOAT

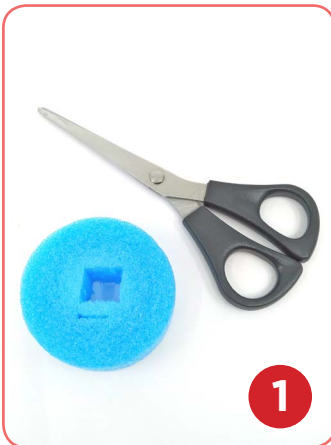

## FOR BATH TIME OR PADDLING POOL FUN!

Have even **MORE** fun with your Hey Duggee figurines with these simple to make pool noodle sail boats.

### You will need:

- Pool Noodle
- Craft foam sheets
- Popsicle stick
- Scissors
- Quick drying glue

1. Cut the pool noodle into approximately 3cm slices. Using the point of your scissors poke a small slit for the popsicle stick mast and a square hole to act as a seat for your Hey Duggee figurine.
2. Cut a small rectangular sail from the foam sheet.
3. Cut two small slits at either end of the sail.
4. Thread the wooden ice lolly sticks through the two slits to create the billowing sail.

5. Insert the popsicle stick into the pool noodle.
6. To decorate, cut a star or other shapes from a different craft foam colour and glue to the sail.

Land-ho! **A-WOOF!**

Have fun racing your Squirrels across the paddling pool, or enjoy a leisurely sail around the kitchen sink!
