

TAG-ALONG STICK

You will need:

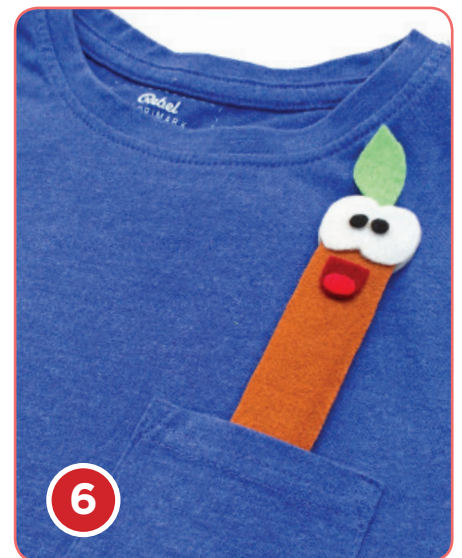

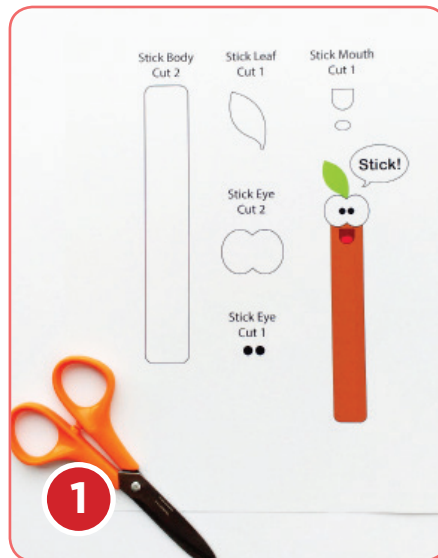

- paper
- felt (brown, white, green, black and red)
- scissors
- popsicle stick
- pen
- quick drying fabric glue

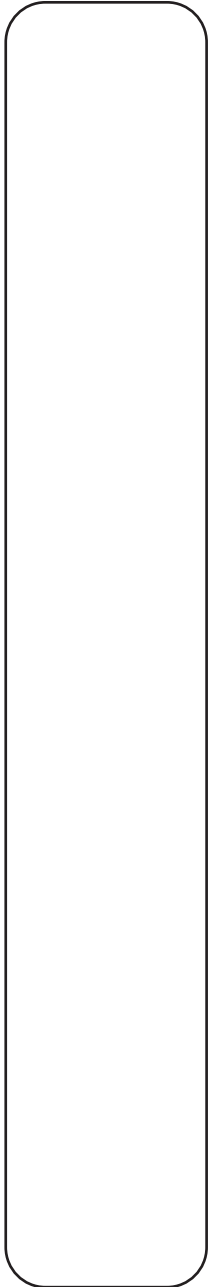

1. Print out the template provided and cut out all of Stick's details.
2. Place the template pieces on the corresponding felt colour, trace around with a pen and cut.
3. Glue the popsicle stick in between the two brown body pieces of felt to keep Stick nice and straight.
4. Next glue the eyes and green leaf to Stick.
5. Finally glue on the pieces for Stick's mouth.

A WOOF !

Now stick can tag-along when you're playing, going outside, heading off to playschool, or going on an adventure with your family.
