

HEY DUGGEE

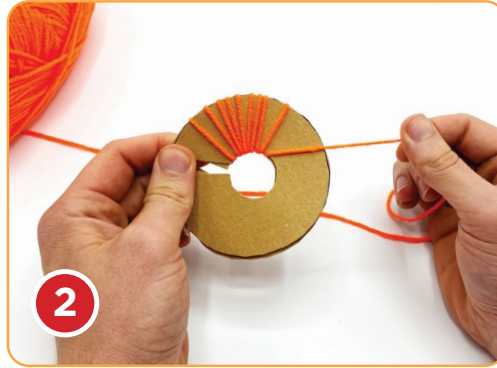

You will need:

- wool
- thin cardboard
- coloured felt
- scissors
- small pom pom
- googly eyes
- fabric glue

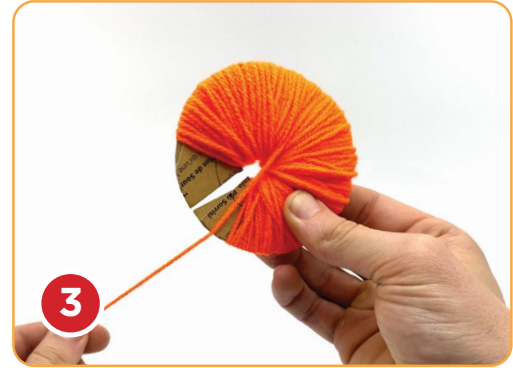

POM POM PUMPKIN

1. Cut two identical donut shapes with a gap big enough to wind wool around.

2. Join the cardboard shapes together and wind the wool around them

3. Keep winding the wool around until it is nice and squishy!

4. Carefully cut along the wool between the cardboard, holding the centre.

5. Tie a piece of wool around the pom pom between the cardboard to keep everything in place.

6. To make the mouth, eyes and stem trace and cut shapes from the felt. Draw a mouth with a gel pen or poster paint.

7. Glue the stem, eyes, nose and mouth to the pom pom to finish your pumpkin... A-boo!

Tah-Dah!

You've got your very own cute pom pom pumpkin to act out your Hey Duggee spooky stories.

Happy Halloween!
